Vision Zero Council - Interagency Policy

Policy Process

- Drafted High Level policy document based on existing Vision Zero work
- Shared draft policy with committee members
- Committee members commented on policy framework
- Public comment period - thank you for your feedback
- Final comment from council members

Vision Zero Council - Interagency Policy

PA 21-28 requires:

- The council shall submit the state-wide policy and interagency approach and any other recommendations to the joint standing committee of the General Assembly having cognizance of matters relating to transportation, in accordance with the provisions of section 11-4a of the general statutes.

Draft policy:

- Should be high level in first year to allow the council and subcommittees room to expand work
- Should follow proven Vision Zero strategies
- Should reflect the missions and duties of state agencies who sit on the council

Vision Zero – Interagency Policy

Policy Framework

- Political Commitment
- Equity
- Development of an Action Plan
- Cooperation and Collaboration
- Safe Systems Approach
- Data Driven Analysis
- Transparency

Final Policy

- “Commitment is made to an equitable approach and outcomes, including prioritizing engagement and investments in traditionally under-served communities and continuing to practice equitable traffic enforcement.”
- “Any enforcement efforts within Vision Zero will be focused on traffic violations that pose a danger on our roadways as identified by quality data analysis to prevent any disproportionate enforcement levels by race, ethnicity, disability and socioeconomic status”.

Vision Zero Council - Interagency Policy
